

ALEX AND PANCHO

READ FEAR GO AWAY

KEKA COLMENERO

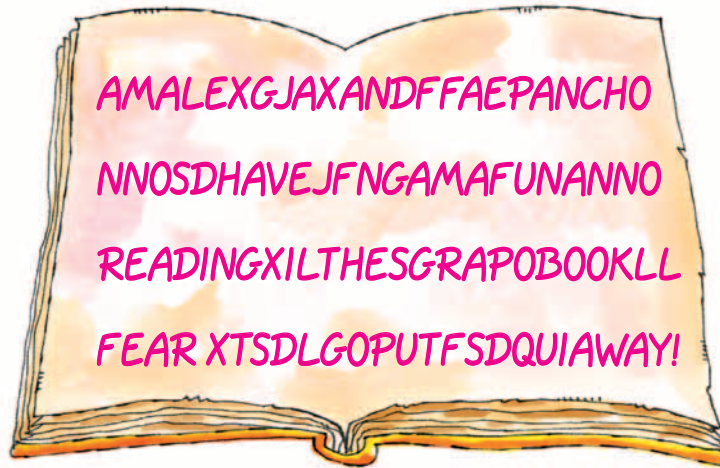

We value being brave and knowing how
to face things that make us afraid using
our humour to do it.

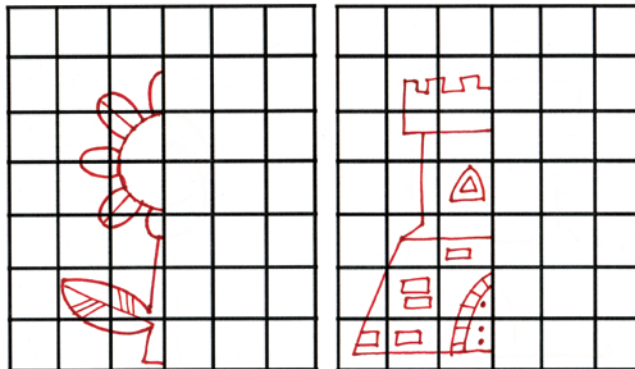

1. Pancho and Alex are playing with Chinese shadows. Match each picture with its shadow.

2. Find and write out the hidden sentence.

3. Now Pancho wants to draw with you. Help him finish the pictures and colour them.

4. Help Pancho order the pictures with the steps of the book *Fear go away!*

• What was Alex afraid of?

.....

• Has Alex overcome his fear?

.....

5. This is Alex's ghost wearing a costume. Now you can draw your own ghost with a costume and overcome your fear!
