

ALEX AND PANCCHO GO TO THE BEACH

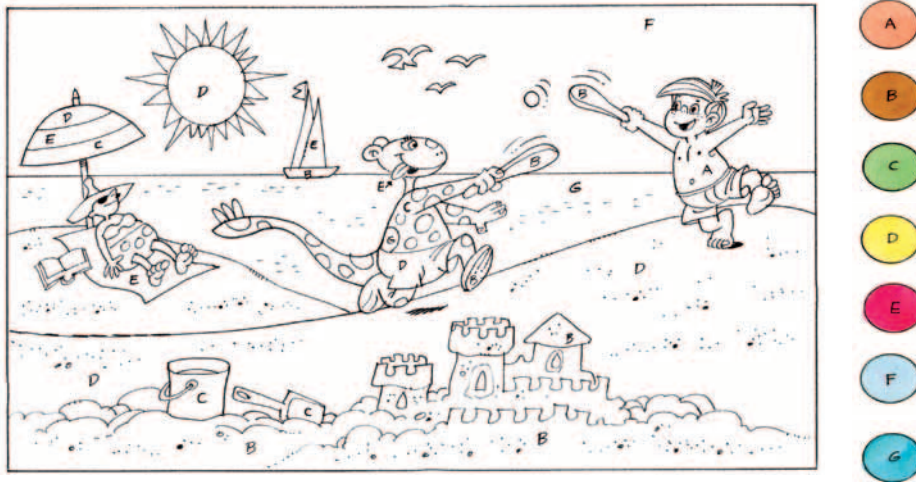

KEKA COLMENERO

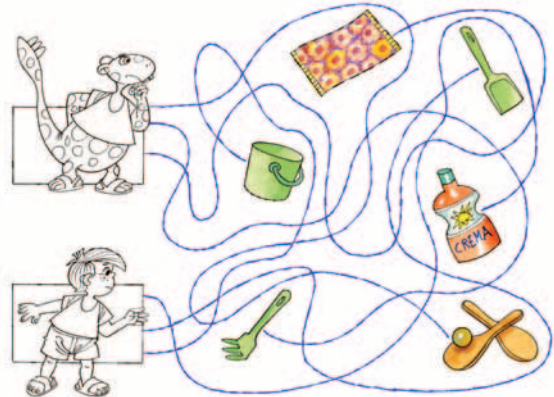

We value showing responsibility, respect for parents and enjoyment of family life.

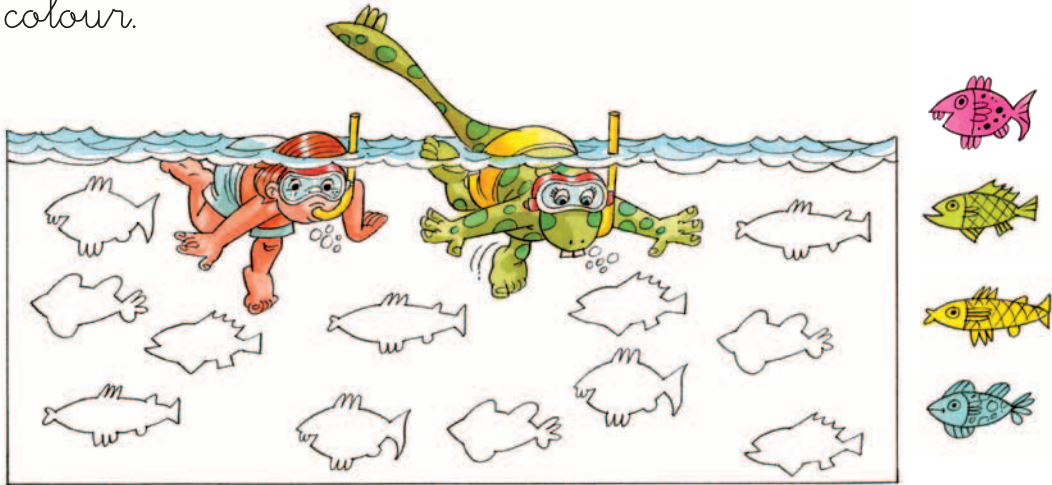

- Alex and Panchito have given you a code to colour their picture.

- Alex and Panchito wanted to take many things to the beach. What did each one take?

3. Alex and Pancho are snorkelling and they have discovered many fish. Colour each one with the right colour.

4. Each member of the family has asked for an ice-cream. What flavour did each one choose?

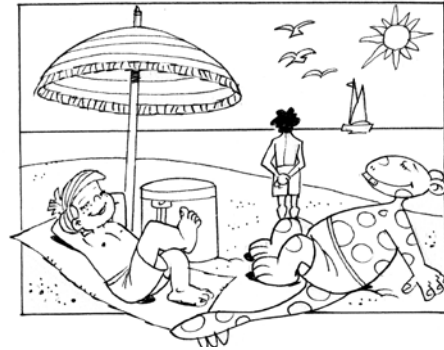

.....

.....

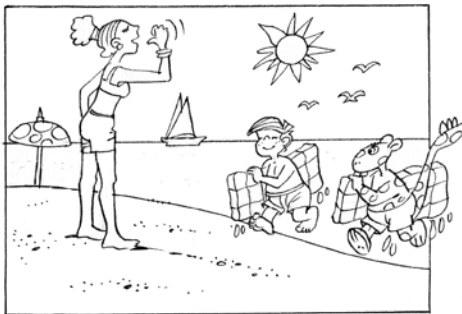

5. Pancho learned a lot of things on the beach excursion. He's taken note of it in his notebook, but he's left out some words. Help him to finish the sentences! And finish the pictures.

You must put.....
on to protect yourself from
the sun.

You must.....
after lunch.

You must.....
to grown-ups right away.

The beach must be.....
..... before leaving it.
