A LOT – A BIT

AERI THE FAIRY WAS SMALL, FUNNY AND JOLLY, BUT
THERE WAS SOMETHING ABOUT HER: SHE ATE A LOT
OF THE FOOD SHE LIKED AND ONLY A BIT OF WHAT
SHE DIDN'T LIKE.

Aeri the fairy was small, funny and jolly, but
there was something about her: she ate a lot
of the food she liked and only a bit of what
she didn't like.

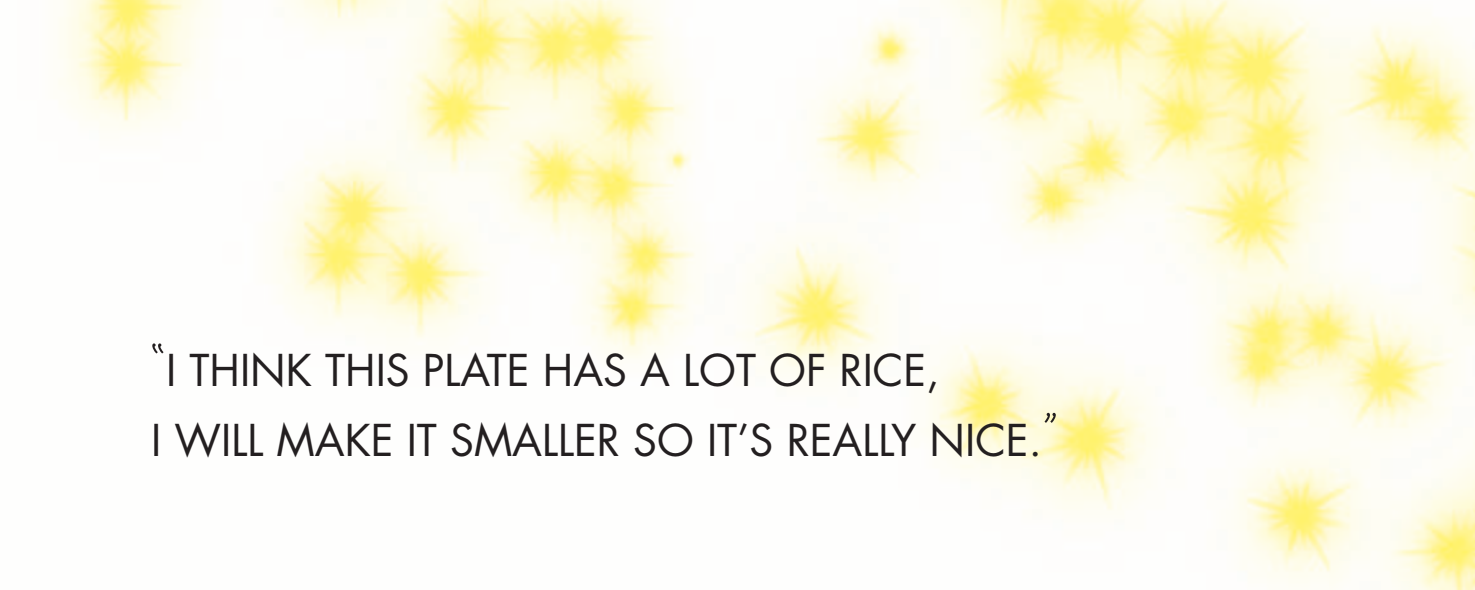

WHEN HER MOM MADE HER A PLATE OF RICE
SHE ONLY STARED AND OPENED HER EYES
WHILE SHE COMPLAINED:

*When her mom made her a plate of rice
she only stared and opened her eyes
while she complained:*

The top half of the page is decorated with numerous yellow starburst shapes of varying sizes, scattered across a white background.

“I THINK THIS PLATE HAS A LOT OF RICE,
I WILL MAKE IT SMALLER SO IT’S REALLY NICE.”

*“I think this plate has a lot of rice,
I will make it smaller so it’s really nice.”*

HER MOM, THE FAIRY, WOULD
GET A BIT AIRY: "IF YOU DON'T
EAT A LOT OF RICE YOU WON'T
GROW TO BECOME NICE."

*Her mom, the fairy, would
get a bit airy: "If you don't
eat a lot of rice you won't
grow to become nice."*
